Make your next event historic! The Museum offers more than 4,000 square feet of unique event space for corporate meetings, business receptions and similar events. Benefits include admission to the exhibitions, convenient access and the ability to use the caterer of your choice. The building is unique because a sniper's nest and rifle were found on the sixth floor of this building after the assassination of President Kennedy. The Museum's permanent exhibition is currently housed on the sixth floor.
